LB 91, 483, 425

PRESIDENT: Senator Kahle, do you wish to...there is nothing to respond to then, is there? All right. The question is, shall this bill be returned for the specific amendment? Record your vote. Have you voted? Please vote. Senator Simpson or Senator Stull, could you vote on this. Record.

CLERK: 26 ayes, 0 nays on the motion to return.

PRESIDENT: The bill is returned. Now offer your amendment, please, Senator.

SENATOR KAHLE: Now I move that the amendment that I just mentioned that would take care of these problems that seem to exist in the fertilizer industry, namely, that the product comes in in bulk and this tax is paid and it is blended with some more bulk of different composition of fertilizer to make the exact mixture that is needed for a field that a farmer might order. I think this would take care of it and I can't see any problem with this and why it would make any difference. My fertilizer dealer at home told me that since they had decided that they were only going to tax once, it really wasn't a problem for him but the fertilizer people and the Ag Department thought that we ought to have this amendment in there to make sure so that they would understand exactly what they were supposed to tax and what they weren't supposed to tax. I believe that is all the comment I have unless there is some questions about this.

PRESIDENT: The question is the adoption of the amendment. Record your vote. Record.

CLERK: 26 ayes, Mr. President.

PRESIDENT: The bill is advanced. I am sorry. The amendments are adopted. Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature, I move that LB 91 as amended be advanced to F & R for engrossment.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced.

CLERK: Now, Mr. President, Senator Duis also had the same amendment but I assume he no longer has any interest in that.

PRESIDENT: Senator Duis. Is he in the Chamber?

CLERK: We put the emergency clause on so there is no way he would have.

PRESIDENT: I am just going to rule that amendment out of order, then, because we have already done it and we will put it back in if he insists. What is the next one?

CLERK: The next one up is 483 and Senator George has a request to bracket that until April 20th.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. LB 425. What has we done on LB 425?
